

Co-Curricular & Extra Curricular Activities

The students are encouraged to participate in the various co-curricular activities within and outside the campus. The students participate in the zonal and national NASA convention every year, other intercollegiate competitions and cultural events and matches with enthusiasm. Every year college hosts the exhibition of students works.

Every year study tours are organized in which students visit places of Architectural Importance. Field visits and site visits along with lab test demonstrations under the guidance of teachers are also organized regularly by the college.

Placement Activity

A placement cell has been constituted and campus interviews are arranged for the placement of students. Our students are placed in the best of the firms in the industry. Some of the prestigious firms visiting our college for campus interviews are:

Introduction

Maharashtra Cosmopolitan Education Society (MCES), was established in the year 1948 by Late Mr. Abdul Kadir Khan and others, with an objective of providing education to the economically, educationally and socially weaker sections of the society.

The M. C. E. Society was recently awarded "Maulana Abul Kalam Azad Literacy Award" constituted by Maulana Azad Education Foundation, Ministry of Social Justice and Empowerment, Government of India for being one of the best Minority Educational Camps in India.

The society has set up 28 institutions imparting education to nearly 25,000 students from Preprimary to Graduate and Post Graduate levels in the fields of Arts, Science, Commerce, Management, Law, Education, Architecture, Computer Science, Information Technology, Pharmacy and Dental under the dynamic leadership of Mr. P. A. Inamdar, President, MCES, Society. These institutions are located on the huge and impressive campus of 23 acres of land in the heart of Pune city. All the colleges are affiliated to the University of Pune and are recognized by the Government of Maharashtra.

About the Institution

The Allana College of Architecture was established in 1999 by the M.C.E. Society with donation given by Mr. Abdul Razzak Allana & Late Mr. Hussain Allana. The college is approved by The Council of Architecture, New Delhi, All India Council for Technical Education, and Directorate of Technical Education - Maharashtra State and is affiliated to the University of Pune. The college imparts education leading to Five year Bachelor degree Course in Architecture. It is one amongst the 13 colleges imparting B. Arch course under the University of Pune.

Infrastructure

The college is housed in a spacious new building constructed as per norms & specifications of AICTE & Council of Architecture. It has 5 spacious studios, 4 classrooms, library with over 3000 titles and a Digital Library of Reference books. Apart from these the college has independent facilities like:

■ Computer lab of 40 computers with internet connection and latest software required for architecture.

Our college also has shared facilities like:

- Assembly hall 400 capacity.
- Canteen for staff & students.
- Adequate parking space.
- Playground and Gymnasium with all sport facilities.
- Branch of Muslim Co-operative Bank.
- Hospital of Dental Science & Unani Medical college.

Hostel Accommodation

Hostel accommodation for both girls and boys is available in separate well maintained buildings in the campus. Hostel accommodation is allotted to the admitted students on merit basis.

■ Two Audio-visual presentation cum seminar hall with over head projectors and seating capacity of 60 each.

■ Art studio, workshop
■ Free Wi-Fi Access
■ A covered courtyard used for cultural events.

Faculty

The college has highly qualified and experienced faculty that includes professors, readers and lecturers to impart sound knowledge to students. Besides academic interest, the faculty is keenly involved in the overall development of the students, which is reflected from their achievements in the academics as well as extra-curricular activities.

Academic Achievements

The academic excellence of our students has reflected in their achievements as rank holders at the university examinations conducted every year. In the year 2003-2004, the very first batch of our students have acquired almost one third University ranks out of 30 ranks.

(2009-10): Priyaa Mote topped the University and obtained a Gold Medal for the same first with 100% result for the batch passing out.

Other Achievements

The college has been participating in several local and national prestigious events.

Apart from these events, the college conducts various workshops with eminent personalities from the fields of architecture, design and art.
