National Conference 2020

Empirical Theories in Architecture, Planning & Construction Management

On 23rd & 24th April 2020 at ACOA, Pune

The National Conference on Empirical Theories in Architecture, Planning & Construction Management is devoted to the idea of encouraging diverse concepts which are more experience and opinion based in addition to the theories already known. The attempt is to bridge the gap and integrate research with practice formally thereby enhancing the quality of Education, Architecture and Environment. The key themes of the National Conference **'Architecture, Design & Planning', 'Construction Management'** and **'Pedagogy & Architectural Education'** cover an array of topics that enables the Students, Academicians and Practitioners to showcase their notions, hypotheses and ideologies evolved and devised through research and practice.

Sub-Topics:

A) Architecture, Design and Planning:

- Concepts of Design and Philosophy of Architecture
- Building Structure and Design form
- Digital Architecture
- Dwellings and Habitats
- Anthropology and Architecture
- Theories of Urban Design and Planning
- Smart Design Ideas
- Landscape, Ecology and Environmental Sustainability
- Universal Architecture and Urban Infrastructure (social & physical)
- Diversity in Urban fabric (traditional and contemporary)

B) Construction Management:

- Management strategies for Construction Projects
- Advanced Construction Technologies and Innovations
- Feasibility study for Construction Management
- Resources Management for Project execution
- Sustainable Practices in Construction Management
- Quality Assessment and Quality Control in Construction
- Building Automation and Management Systems
- Significance of ICT in project execution
- Professional Ethics and attitude in Construction Management
- Legalities and Safety issues in Construction Projects

C) Pedagogy and Architectural Education:

- Educational Polices, Architectural Curriculum and its future
- Professionalism and knowledgeability of Teachers
- Non-formal education and Life-long learning
- Industrial relations with architectural education
- Globalization in Architecture
- Interdisciplinary and Allied fields of Architecture
- Correlation of technical and design subjects
- Application of ICT in teaching process
- Innovative Teaching Methods and Trends
- Psychology of Teaching- Learning dynamics

NCET-2020 Team

Patron : Dr. P. A. Inamdar, President, M.C.E. Soc.
CDC Chairman : Mrs. Abeda Inamdar, V.P., M.C.E. Soc.
Convener : Prof. Lina Debnath, Principal, ACOA
Conference Mentor : Dr. Parag Narkhede, HoD, BKPSCA
Co-Conveners :

Prof. Prachi Aiyer, HOD-M.Arch., ACOA 9822355363
Prof. Dhwani Iyer, Asso. Prof., ACOA 9890248887

Correspondence email: ncet2020acoa@gmail.com

Call for Papers:

23rd April Day-1: paper presentation by UG & PG Students
24th April Day-2: paper presentation by Researchers, Academicians & Practitioners

- **Research Paper for UG Students:** Short paper, 4no. A4-pages, Times New Roman font-12, single-line spacing
- **Research Paper for PG Students:** Medium paper, 6no. A4-pages, Times New Roman font-12, single-line spacing
- **Research Paper for Professional / Academicians / Researchers:** Long paper, 6-8no. A4-pages, Times New Roman font-12, single-line spacing

Page set-up: A4-size paper, 0.75" left margin, 0.5" from remaining sides, *Word* editable document
Paper format: details will be provided upon registration
