Subject: Approved Student Benefit & Welfare Schemes (AY 2026-27)

Dear Deans,

I am pleased to inform you that the Competent Authority has formally approved the deployment of two key institutional initiatives aimed at driving student enrolment and supporting our campus community for the upcoming academic year:

1. **The Admission Referral Scheme:** An incentive program structured exclusively for external stakeholders, alumni, and well-wishers to introduce high-calibre candidates to our programs. (Please note that internal campus staff are strictly excluded from participating as referees to maintain institutional transparency.
2. **The Institutional Loyalty Benefit Scheme:** A structured tuition fee concession framework designed to retain and reward students progressing from our sister institutions on the Azam campus into the University's higher education programs.

To ensure maximum visibility and to help prospective candidates leverage these strategic advantages, your active support in micro-targeting our audience is essential.

Action Required:

You are kindly requested to personally oversee the **circulation of the policy highlights** across all official and semi-official social media channels under your jurisdiction. This includes:

Your leadership in driving this outreach will greatly assist the University in reaching eligible students effectively before the peak admission window concludes.

Loyalty Benefit Scheme

The University values the academic foundation built by students pursuing their schooling, or undergraduate degrees within our campus ecosystem. The Institutional Loyalty Benefit Scheme is established to incentivize these internal students to continue their higher education journeys with the University. By offering financial relief and administrative ease, this scheme aims to foster long-term student retention and strengthen our campus community.

1. Scope:

This policy applies to all eligible students from campus-affiliated schools, junior colleges, and institutes who seek direct progression into undergraduate (UG), postgraduate (PG), or doctoral (Ph.D.) programs at the University for the academic year 2026–2027.

2. Eligibility Criteria:

To qualify for benefits under this scheme, an applicant must satisfy the following criteria:

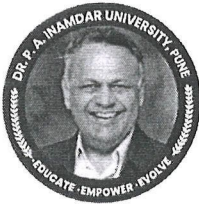

The scheme is open exclusively to external well-wishers of the university, including:

- **Campus Alumnus Status:** The applicant must have completed their immediately preceding qualifying qualification (e.g., 12th/HSC, or UG degree) from an authorized institution located on the Azam campus.
- **Continuous Track Record:** The candidate must have maintained a clean disciplinary record with no history of major misconduct or academic malpractice.
- **Minimum Academic Standing:** The applicant must meet the baseline eligibility criteria and cut-off marks specified by the university for the respective program

3. Benefit Structure & Fee Waivers:

The loyalty benefits are structured as fee concessions applied directly to the 1st-year Fee component of the institutional fee schedule as per the annexure. A continuity waiver will be applied in subsequent years, provided the student maintains an annual CGPA of 6.5 or above. These benefits cannot be combined with general merit scholarships.
